HOGAN

PAIGE  
HUMPHREY

# OUR MISSION

To cultivate entrepreneurship at William and Mary by providing resources and the community for ventures to grow and become successful.

## COMMUNITY DRIVEN

We promote cross-campus efforts to connect entrepreneurial minds and provide them with the resources to launch and improve their startups.

## HANDS-ON EXPERIENCE

We believe that the most useful startup skills come from immersion in real-life entrepreneurial environments - working side-by-side with founders.

**Discover**  
and connect with  
cofounders and form  
your team

**Match**  
up and engage with  
startup opportunities

**Collaborate**  
with entrepreneurial  
students/alumni across  
the globe

A large, diverse crowd of people is gathered outdoors under a canopy of green trees. The scene is filled with people of various ages, some wearing green shirts, suggesting a team or school spirit. The lighting is bright, indicating a sunny day.

# THANK YOU!
